WE BELIEVE

We believe that all children should be afforded the same opportunities regardless of their environment or socioeconomic status. Developing proper etiquette, public speaking skills, self-esteem, effective communication, self-love and leadership skills are the keys to maximizing the potential of all girls .

PRINCIPLES

- Character
- Education
- Leadership
- Service

MISSION

The mission of The Concrete Rose Foundation is to provide advocacy and assistance to minority youth.

VISION

The Concrete Rose Foundation envisions a community with a constant effort to cultivate a sense of self-worth and equality in adolescent, minority females, which in turn will afford them the same opportunities regardless of their environment and socioeconomic status
